Project Title: SUSLIB

Hosted By: SUSLIB

Project Introduction:

A hybrid ecosystem enhancing the experience of navigating, reading and collaborating within a collection of information such as a library of books.

About Organisation:

SUSLIB is a self-initiated collaborative project between Martijn de Heer and Amir Houieh. Amir and Martijn both graduated from Graphic Design department at KABK in 2016 and are currently based in The Hague. They both work as interaction designers/creative coders and as tutors of these disciplines at ArtEZ (Amir) and KABK (Martijn).
