

## **Project Title: EXI(S)T**

**Hosted By: the Swedish school of textiles**

***Project Introduction:***

EXI(S)T is a platform in which 9 recently graduated textile design students from the Swedish School of Textiles, both Bachelor and Masters exhibit their graduation collections.

***About Organisation:***

Design, textile materials, and challenging existing textile techniques are in the focus of the program Textile Design. With knowledge in technology and the latest research in materials and fibers, the students can test the limits of how these materials could be designed.
