

# Project Title: Run With Birds

**Hosted By: Mi Zhou**

***Project Introduction:***

Run With Birds is an activewear concept that responds to bird sound. The activewear connects with a mobile app that allows users to explore their interactions with local birds.

***About Organisation:***

Mi Zhou graduated from the Royal College of Art (MA) in 2020 and Central Saint Martins (BA) in Textile Design. She specialises in combining a variety of design techniques, using colour, materials and fabrics to narrate the relationship between humans and nature.
