

# Project Title: Keynote lecture Sean Carney

**Hosted By: Dutch Design Foundation Ambassador**

## ***Project Introduction:***

In his keynote for Dutch Design Week, Sean makes a call to arms: with the world facing some of the toughest healthcare challenges of our lifetime, designers can and must step up and design with purpose.

## ***About Organisation:***

Sean is honoured to be one of the official Dutch Design Week 2020 ambassadors. He realizes that we need to bring the best and brightest minds together in multidisciplinary approach to redesign the future of healthcare. He believes we can harness the power of experience design in making healthcare more accessible and sustainable, with an emphasis on truly caring for people.
