

# Project Title: Exploring Alternative Futures

**Hosted By: Emergent Futures Collective**

## ***Project Introduction:***

Showcasing a series of works previously exhibited at the Emergent Futures Festival, which connected local designers, artists, strategists, and researchers from different design disciplines to explore alternative futures. Come join us in reflection and dialogue.

## ***About Organisation:***

We are a distributed network of passionate, creative human beings, dedicated to creating awareness and driving action towards social and climate justice. We are part of a new generation of designers, artists, computer engineers, industrial designers, and strategists that understand the importance and urgency of knowledge sharing and exploration that challenges our established systems.
