

Project Title: VALUE // VALUES

Hosted By: Studio Nienke Hoogvliet + Tim Jongerius

Project Introduction:

We know what things cost, but do we know what they are worth?

Nienke and Tim have worked on different topics around the theme of sustainability for years. They have created new materials and production processes, but they have come to realize that value holds the key to truly creating change.

About Organisation:

Nienke and Tim run a design studio for material research, experimental and conceptual design. They use design as a tool to shape new perspectives.

The studio consists of the founder Nienke Hoogvliet (1989) and Tim Jongerius (1988). Nienke graduated from Lifestyle & Design at the Willem de Kooning Academy, Rotterdam. Tim graduated from the faculty of Architecture at the TU Delft.
