

# Projectnaam: AuraForest.com

Gepresenteerd door: KAMILA IŻYKOWICZ

## ***Project introductie:***

The Department of Culture for Breath in 2030 presents a digital archive of multispecies scents excavated from native pine forests.

The project explores an unsettled future, questioning humanity's relationships with other living entities.

## ***Over organisatie:***

Poetic designer, empathy researcher and future thinker.

Currently working on design investigations into bio-parallels, creating a sensual dialogue between species. MA graduate in Design Futures at the Royal College of Art.

Showcased at Tate Modern: Staged on Screen, London Design Biennale, Dutch Design Week, Łódź Design Festival, Vienna Design Week.

Award winner of Creative Conscience, Grand Challenge (RCA, CERN and Logitech) and the Art and Fashion Forum.
