

# Project Title: Slowductivity

Hosted By: Hogeschool Rotterdam

## ***Project Introduction:***

Going through life on autopilot. Doing things because it is on your to-do list. Doing them quick and fast to move on to the next day.

And the next day. And the next day. And the next day.

But wait.

Slow down...

## ***About Organisation:***

Arts & Crafts is an associate degree in which craftsmanship, the development of an artistic vision and an enterprising attitude are the main goals. Arts & Crafts is part of the Rotterdam Academy and Hogeschool Rotterdam.
