

# Project Title: BioArt Laboratories - Klokgebouw Satellite

**Hosted By: BioArt Laboratories**

***Project Introduction:***

BioArt Laboratories proudly presents these incredible change makers! Come and take a look at their work which inspire you to think differently on interconnectedness of the world!

***About Organisation:***

BioArt Laboratories is a cultural development institution. The institution facilitates and develops talented innovative makers and in the coming years focuses on questioning and redefining the ecology of the human habitat. Central is the role of bio-art in the transition to the Symbiocene: the era after the Anthropocene, in which man is no longer the center, but lives in symbiosis with nature, culture and technology.
