

# Project Title: DESIGN BOND ?? China Calling Conference at DDW

**Hosted By: China Calling**

***Project Introduction:***

Our increasingly fractured world represents one of the most urgent challenges facing society today. We advocate to strengthen our "bond" with the Chinese design community (and beyond) in order to face the challenges which are threatening our world.

***About Organisation:***

China Calling is a yearly hybrid conference at Dutch Design Week supported by CreativeNL, curated by China Europe Design and organized by Entry. It aims to deepen understanding and stimulate cooperation between the Chinese and Dutch creative community. This programme is part of the CreativeNL China day which focuses on circular innovation.
