

# Project Title: Re:sourcing clay

**Hosted By: Royal Tichelaar Makkum**

***Project Introduction:***

Royal Tichelaar is a world renowned brand in the field of ceramics. On the occasion of the 450th anniversary of the company, three design studios were invited to participate in a design residency, in order to investigate how their innovative projects could contribute to a more sustainable Tichelaar.

***About Organisation:***

Koninklijke Tichelaar B.V. (1572) is the oldest ceramics company in the Netherlands and worldwide a concept in the field of ceramics and glazes. Over the centuries we have built up an invaluable source of knowledge and expertise and the proven sustainable properties of the material, the timeless beauty and the cultural added value of our products are more current than ever.
