

## **Project Title: MANOU collections.**

**Hosted By: Manou collections**

### ***Project Introduction:***

The collection A Familiar place was Manou's way of exploring the clothing around her. to search for ways of bringing everyday clothing in new light and to look at her home country in a new light. what are we wearing everyday and what is that telling us?

### ***About Organisation:***

Dutch culture is an essential part of Manou's work.

She explores the mundane everyday life in the Netherlands with clothing and looks for undiscovered shapes and ideas within that.

In every collection she uses vintage and dead-stock materials, this way she minimises the impact her work has. Pattern drawing is her main outlet to creating a collection.
