

Project Title: HOME ESSENTIALS WITH INTENT

Hosted By: FOUR LEAVES

Project Introduction:

Everything starts with a different view of the home.

A vision without boundaries where we are free to go the extra mile. Adding details, mixing fabrics and mashing worlds together. Telling stories, building layers and creating the new. Always with the best intentions.

About Organisation:

Four Leaves offers you honest bed linen, towels and more. All of the highest quality. Fresh, comfy, tailor-made fabrics in organic cotton. Designed with great attention to small details. For you to relax, unwind and play in. And fair-play along the way. For every duvet cover set sold, we provide a Children's Homes with a sleeping bag. For every towel set we donate a towel and with our handmade chess set comes a year of school. This social impact starts in Sri Lanka, our founder's birth country.
