

# Project Title: Messmerizing

## Hosted By:

### *Project Introduction:*

The artworks Symbiosis and Silent are based on nature that has adapted to the man-made structures in the city. How nature flourishes on the walls, in the alleys and on the pavements without us even noticing it. An ode to fungi, lichens and fossils. These artworks are part of MESSMERIZING.

### *About Organisation:*

## Images

*The pictures are to be found in the images folder.*
