

# Project Title: TEXTILES TALK: CHANGING PERCEPTION OF THE ORDINARY

**Hosted By: Four Leaves**

***Project Introduction:***

Join us at Kazerne | Home of Design with world-famous trend forecaster Lidewij Edelkoort, for a conversation about the creative struggles (and fun) with sustainability and purpose in the high-end textiles & fashion business. Moderated by Jeroen Junte.

***About Organisation:***

Four Leaves offers you honest bed linen, towels and more. All of the highest quality. Fresh, comfy, tailor-made fabrics in organic cotton. Designed with great attention to small details. For you to relax, unwind and play in. And fair-play along the way. For every duvet cover set sold, we provide a Children's Homes with a sleeping bag. For every towel set we donate a towel and with our handmade chess set comes a year of school. This social impact starts in Sri Lanka, our founder's birth country.
